

VIKASH YADAV

Civil Engineer | Site Execution & Quantity Management

Phone: +91 9120880300 | Email: bikashyadav93781@gmail.com

PROFESSIONAL SUMMARY

Diploma holder in Civil Engineering with 6 months of hands-on site experience at VTP Bellissimo. Proficient in steel reinforcement inspection, concrete quantity estimation, site documentation, and interpreting construction drawings. Successfully completed industrial training with Dinesh Chandra R. Agrawal Infracon Pvt. Ltd. on Delhi-Mumbai Yamuna Expressway Package-01. Seeking a challenging site-based role where I can ensure quality, accuracy, and timely execution of civil engineering projects.

PROFESSIONAL EXPERIENCE

Site Engineer (Project Experience) - 6 Months | Project: VTP Bellissimo

- Conducted steel reinforcement checking to ensure correct placement as per structural drawings and site requirements.
- Performed accurate calculation of concrete quantities and maintained systematic daily records for site activities.
- Interpreted construction drawings and applied technical details effectively during execution on site.
- Assisted in day-to-day site operations, focusing on precise measurements, documentation, and adherence to quality standards.

Internship Training: Dinesh Chandra R. Agrawal Infracon Pvt. Ltd.

Project: Delhi-Mumbai Yamuna Expressway, Package-01 - Gained practical exposure to large-scale highway construction activities.

CORE SKILLS

- Steel Reinforcement Checking & BBS Understanding
- Concrete Quantity Calculation & Estimation
- Site Execution & Supervision Support
- Construction Drawing Reading & Interpretation
- Quantity Recording & Site Documentation
